Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty containers. This product is ruined by freezing. Store and use at 13-29°C (55-85°F). As an aerosol, DO NOT store above 49°C (120°F).

**DISPOSAL**

---

Do not puncture container. Dispose of in accordance with federal, state, or local regulations.

**SERVICE**

---

**Sales**

Service is one of the most important ways to verify consistent quality of the facility's performance and operation. A tailored service program by STERIS provides effective, trouble-free operations.

**Technical**

STERIS is pleased to provide a completely staffed and equipped technical service laboratory capable of performing needed tests and providing both telephone and on-site assistance when needed. More details on how this service can benefit a facility's particular situation can be provided upon request.

## PRECAUTIONS

---

Information concerning human and environmental exposure may be reviewed on the Safety Data Sheet (SDS) for the product. For additional information regarding incidents involving human and environmental exposure, call 1-314-535-1395.
